To our White Bluff family and friends,

The White Bluff Volunteer Fire Department will be selling burgers and hotdogs at the P.O.A. Independence Day Fireworks on Friday, July 3rd starting at **6:00pm outside the Lone Star Room**. As we try to ensure the safety and personal protection of our White Bluff families and visiting friends, we have modified our menu and line ordering from last year.

- There will be two volunteers to greet you and take your order. Once your family gives the volunteer the order, only one member of your family will be allowed to stand in line.
- Once you pay and select your drink(s), your family member may leave the line and wait for your food to be given to them at the last table.
- All orders will be bagged for easy carry out. This year we will offer condiments in packets. Simply tell us when you order, which of each item you want, and it will be included in your food bag.
- If you would like to pre-order, you may print out the 2nd page of this letter with your name on it and bring it with you to give to a FD support member then wait at the last table.
- We are encouraging everyone to minimize the number of people in your group standing in line to encourage social distancing.

We look forward to serving you during this celebration!

Hamburger/Cheeseburger \$6.00

Hot Dog \$3.00

Chips (Lays chips) \$1.00

Drinks \$1.00

All monies collected will help the fire department maintain our equipment including the only rescue boat on Lake Whitney.
